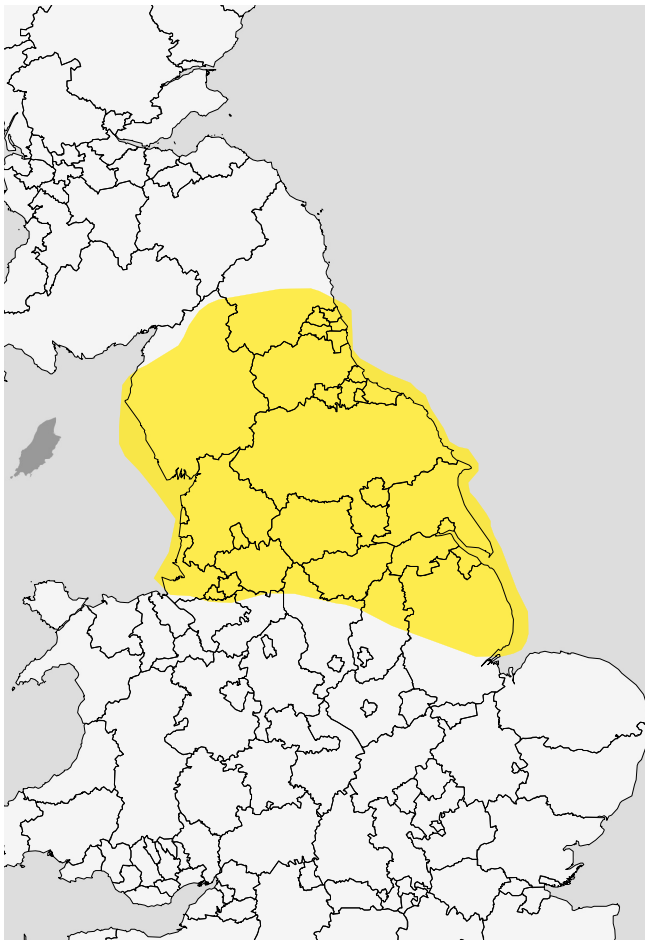
Yellow warning
Wind

Between
04:00 Mon 13 Nov 2023 and
21:00 Mon 13 Nov 2023



Storm Debi will likely continue to bring strong and disruptive winds for the next few hours

What to expect

- Injuries and danger to life from flying debris are possible
- Some damage to buildings, such as tiles blown from roofs, could happen
- Road, rail, air and ferry services may be affected, with longer journey times and cancellations possible
- Some roads and bridges may close
- Power cuts may occur, with the potential to affect other services, such as mobile phone coverage
- Injuries and danger to life could occur from large waves and beach material being thrown onto sea fronts, coastal roads and properties

Further details

Storm Debi is clearing into the North Sea but strong winds on its southern and southwestern flank continue. Gusts of 50-60 mph are likely into the evening, though winds will ease from west to east through the next 2-3 hours. .

Reason for update

The warning end time has been extended to 2100 (though winds in the west will ease before then), whilst the area has been decreased in size

Low likelihood of medium impacts
